How to access Philstocks Version 5?

How to LOGIN?

Login to your Philstocks account and then click the [Access V5](#) link.

This opens the Philstocks version 5 Login Portal.

Log In

[Forgot your password?](#)

Enter your username and password and then click **LOGIN**.

How to LOGOUT?

Click the icon beside the market status section. This will display your current profile picture, client name and client code.

Click this to view your full profile details.

See page for Profile page details.

Click [Logout](#) to exit v5.

ACCOUNTS

Access this page by clicking **ACCOUNTS**.

Sub divided into four (4) sections (Portfolio, History, Profile and Request)

Accounts (Main Page) gives you a glance to your current portfolio performance including your Top 3 Stocks on hand and available cash on hand; it also allows you to instantly access your **Watchpack**, **Ticker** and **Chart** via Philstocks launchers, Philstocks Admin Messages, PSE News and Advisories are also available in this page via **Feed**

Access the designated launcher page instantly by clicking these **Launcher** buttons.

Directs to the mobile store links for downloading v5 mobile app.

Buying Power

Available – amount of money on your account that can be used to execute BUY orders.

Earmarked –the amount of money set aside equivalent to the amount of orders on queue or orders marked as posted/Open that is not yet matched in the exchange

My Stocks (Top3) -displays the top three (3) stocks on hand with the highest investments allocation.

1 **Avg Cost (Average Cost)** – represents the stock's Price Paid divided by the number of Shares.

2 **Mkt Price (Market Price)** – represents the current stock price.

3 **Mkt Value (Market Value)** – represents the stock's Market Price multiply by the total shares minus charges.

4 **Inv Alloc (%) (Investment Allocation)** – Represents the stock's Price Paid divided by the total Price Paid multiply by 100.
