

FUND YOUR ACCOUNT

1. This is your last requirement to activate your account. To upload a proof of initial fund, first log-in to your Philstocks trading account.
2. Then go to “Request” page and select your funding option and upload proof of transaction.
3. Your initial fund will reflect on your portfolio once your account has been activated.
4. Crediting of your initial fund varies depending on your chosen mode of payment.

Note: Philstocks’ representative may contact you if additional reference or detail is needed.

Please see Funding Options below for your reference:
